A DAY IN THE COUNTRY

Ambiente A Day In The Country

Ambiente Tucan Fest

A vibrant tropical illustration on a light beige background. The scene is filled with stylized elements: a toucan with a black body, white face, and a large beak with yellow, orange, and black bands, perched on a white branch. The toucan has a small white 'u' on its chest. Surrounding it are various green plants, including palm fronds and large, fan-like leaves. There are also several brown, flower-like shapes with black dots. The text 'TUCAN FEST' is written in a simple, black, sans-serif font across the middle of the image.

CÍRCULOS VERDE

The background of the image is a solid light teal color. It is decorated with a pattern of numerous overlapping circles of various sizes. Each circle is filled with a soft, watercolor-style pink wash, giving them a bubbly, ethereal appearance. The circles are scattered across the entire frame, with some appearing larger and more prominent than others.

PINK BUBBLES

Ambiente Pink Bubbles

Ambiente Tea Flower Pink

The image features a repeating pattern of light pink, five-petaled flowers with black centers, scattered across a white background. Small black dots are also scattered throughout the background. The text 'TEA FLOWER PINK' is centered in the middle of the page.

TEA FLOWER PINK

The background of the entire image is a light beige or cream color with a fine, grainy texture. Scattered across this background are several teal-colored popsicles. Each popsicle has a rectangular body with rounded corners and a central vertical indentation, and a light brown wooden stick protruding from the bottom. The popsicles are arranged in a non-uniform, repeating pattern.

Ambiente Spring Fest

A vibrant, repeating floral pattern on a white background. The design features a variety of stylized flowers and foliage in soft pastel colors: pink, blue, orange, yellow, and green. Elements include large pink blossoms, small blue flowers, orange pom-pom-like flowers, and various green leafy sprigs. The overall aesthetic is cheerful and spring-like.

SPRING FEST

The background of the image is a repeating zigzag pattern. It consists of a series of light gray chevron shapes pointing downwards, set against a white background. The zigzag pattern is uniform and covers the entire area.

Ambiente Eden Beige

The image features a repeating pattern of stylized, watercolor-style leaves. The leaves are rendered in various shades of brown, tan, and beige, with soft, blended edges that give them a delicate, ethereal appearance. They are scattered across a plain white background, creating a sense of natural, organic movement. The text 'EDEN BEIGE' is centered horizontally and vertically over the pattern.

EDEN BEIGE

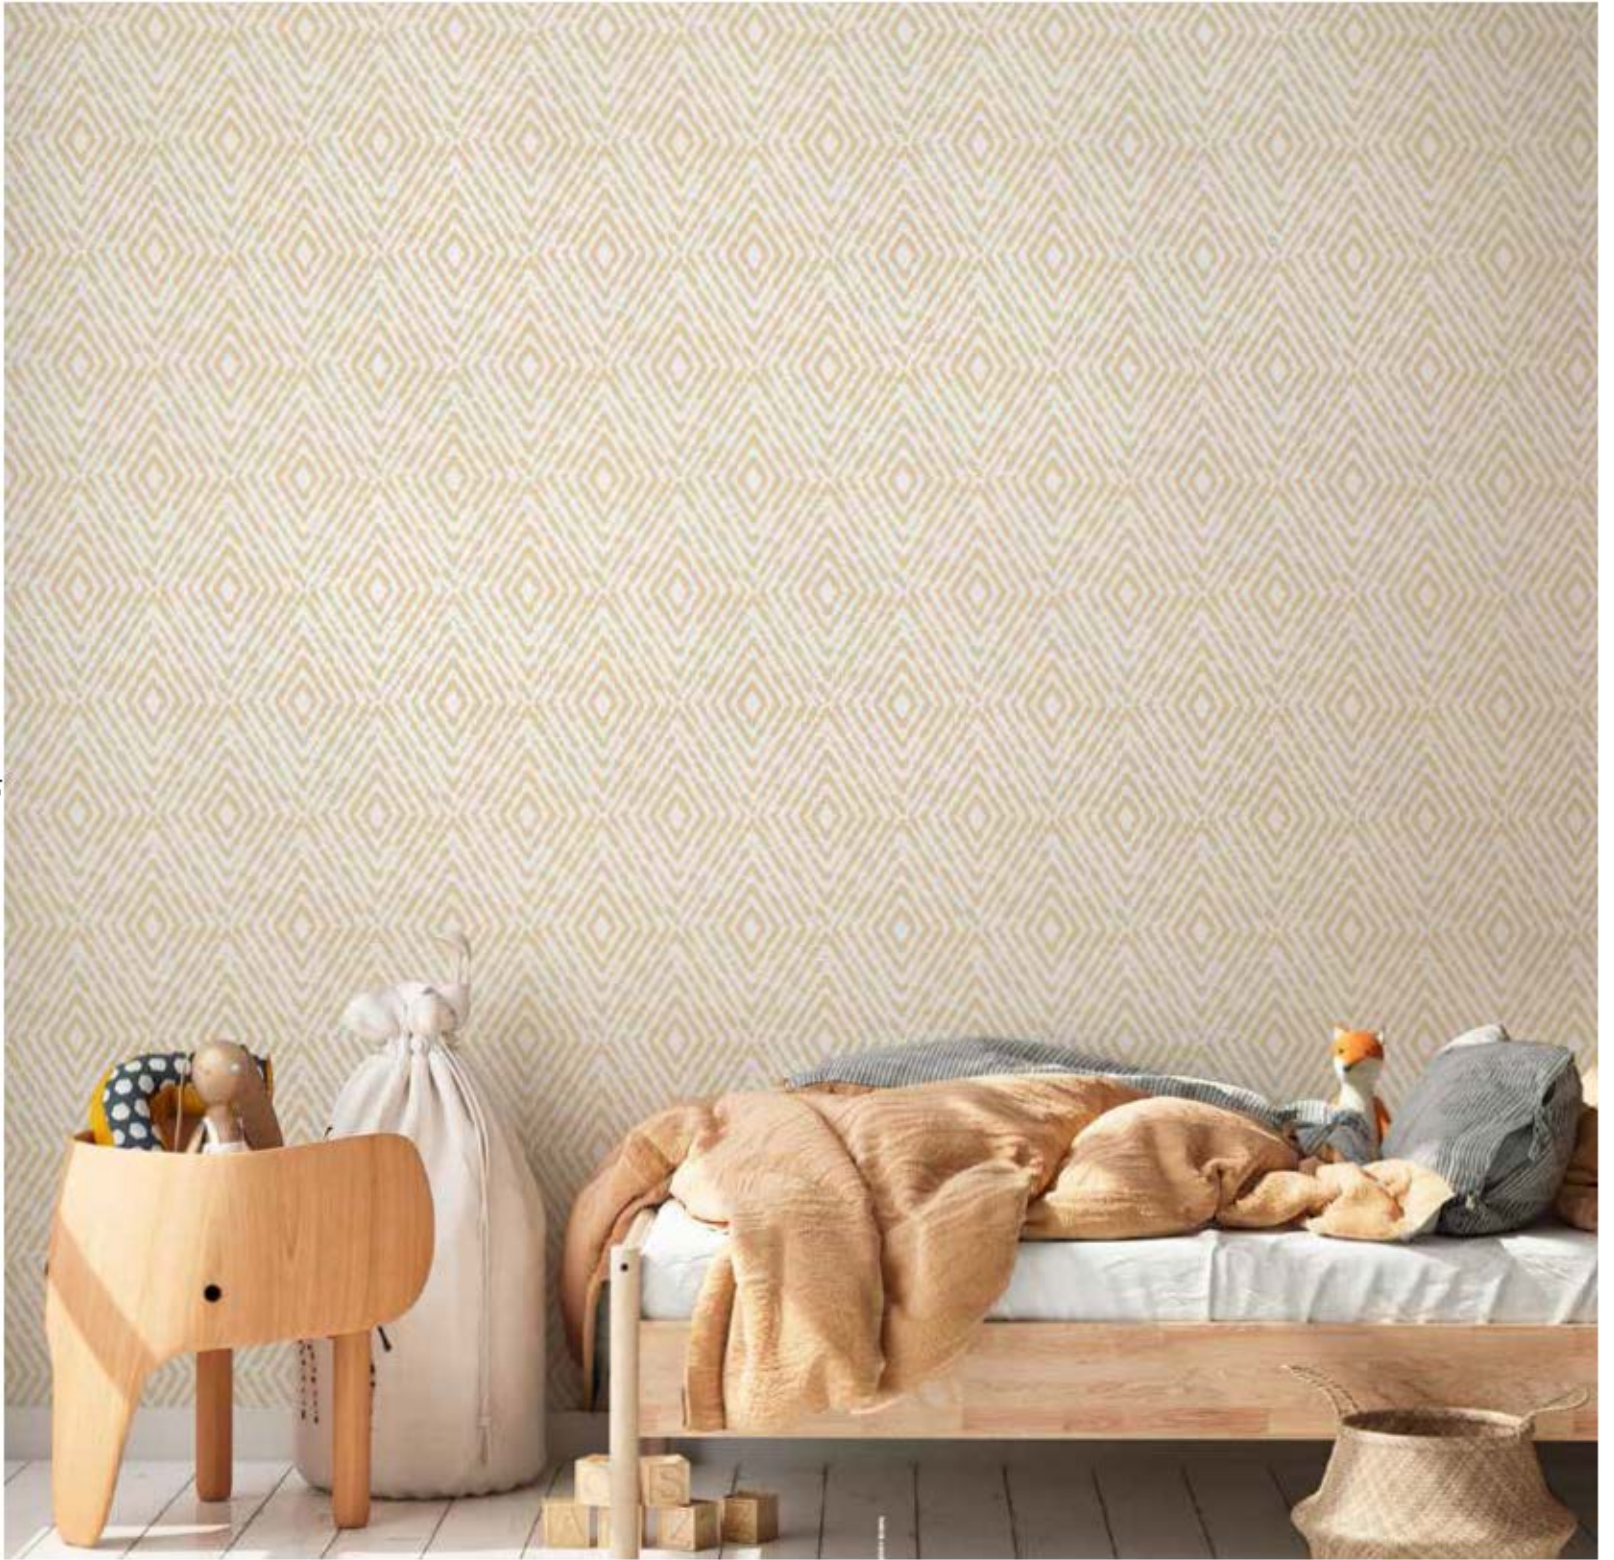

A repeating pattern of 3D squares in a beige color, arranged in a grid that creates a strong optical illusion of depth and perspective. The squares are oriented such that they appear to be receding into the distance, with the top and bottom edges of the squares in the foreground being more prominent than those in the background.

Ambiente Eucalipto

The image features a collection of watercolor-style illustrations of eucalyptus leaves and branches. The leaves are depicted in various shades of green, from light and airy to deep and saturated, with some showing yellowish highlights. The branches are thin and brown, with leaves attached in different arrangements, such as clusters and along stems. The overall composition is scattered and artistic, set against a plain white background.

EUCALIPTO

We take the measurement of the panel width and mark with a level.*
Position your panel on the wall, with the help of masking tape.

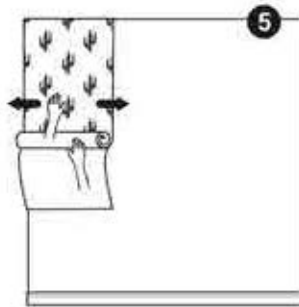

Retira la trasera unos 10 cm y dóblala por detrás.
Pega el trozo que ha quedado descubierto.

Peel the rear 10 cm and bend it through behind.
Stick the piece that has been uncovered.

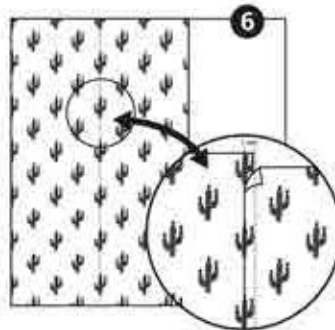

Enrolle el resto del papel para que sea más fácil instalarlo.

Wrap the rest of the paper to make it easier to install.

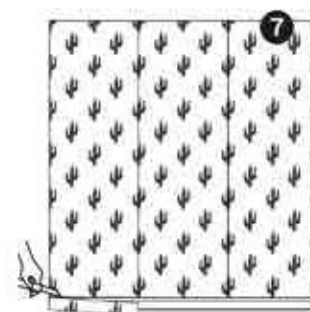

Vamos tirando del soporte trasero y con ayuda de la mano vamos pegando el papel desde el centro hacia fuera.

Keep peeling the rear support and with help of the hand or spatula stick the paper from inside out

Repetimos el proceso con el siguiente panel. Montado 1 cm. sobre el panel anterior. Y así sucesivamente.

We repeat the process with the following panel with an overlapping solape of 1 cm.

Cortamos los posibles sobrantes y listo.

Cut the possible underlath leftovers and done.

*Te aconsejamos que empieces por el lado opuesto de la puerta de entrada a la habitación, así el solape se notará mucho menos.
*We advise you to start on the opposite side of the entrance door to the room, so the solape will be noticed much less

Las paredes pintadas deberán haberse secado al menos dos semanas antes de aplicar el papel.
The painted walls should have been dried at least two weeks before applying the paper.

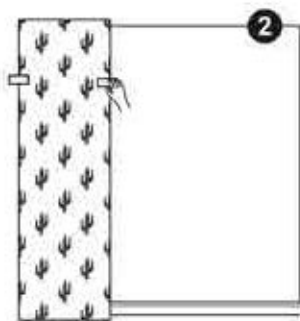

El producto no rinde en paredes con pintura satinada.
The product does not yield on walls with satin paint.

Placement / Расположение

Nettoyer bien la surface.

Хорошо очистить поверхность от пыли влажной салфеткой

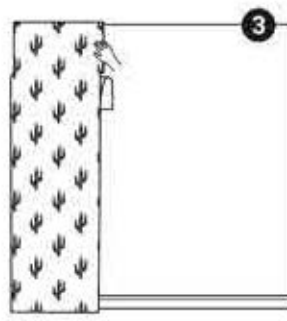

Nous prenons la mesure de la largeur du panneau et marquons avec un niveau *

Positionnez votre panneau sur le mur, avec aide du ruban adhésif.

Замеряем ширину рулона и отмеряем с уровнем*

Закрепляем панель к стене с помощью скотча

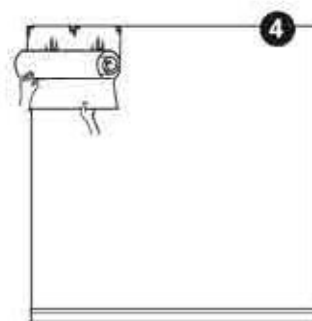

Enlever 20 cm de l'adhésive arrière et doubler vers l'arrière.

Coller le textile.

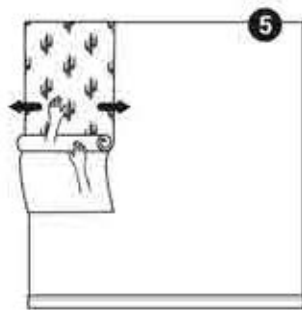

Отклеиваем 10 см задней части и загибаем

Наклеиваем открытую часть

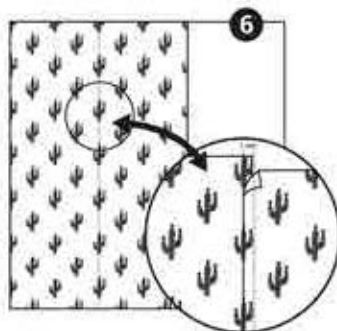

Enrouler le reste du textile.

Сворачиваем оставшуюся часть рулона, чтобы было легче наклеивать

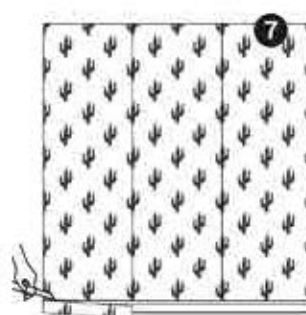

Tirer petit à petit de l'arrière, pendant que vous continuez de coller, toujours de l'intérieur à l'extérieur.

Постепенно отклеиваем заднюю часть и с помощью руки или шпателя разравниваем от центра к краям

Nous repetons le processus avec le panneau suivant, superposer les panneaux un centimetre.

Повторяем то же самое со вторым рулоном с нахлестом в 1 см

Couper le surplus.

Обрезаем возможные излишки и готово.

* Nous vous conseillons de commencer du côté opposé de la porte d'entrée de la chambre, le solape sera très moins visible.

*Рекомендуем начать выклеивать с противоположной стороны от входа в комнату, чтобы нахлест был менее заметен.

Les murs peints devraient avoir été séchés au moins deux semaines avant l'application du papier.

Крашенные стены должны сохнуть как минимум 2 недели

Le produit ne cède pas sur les murs avec de la peinture satinée.

Продукт не предназначен для стен с сатинированной краской
